Greetings Friends:

The Beulah Grove Community Resource Center (BGCRC) is a 501(c) 3 not for profit community service agency operating in the 30901-zip code area of Augusta/Richmond County, Georgia since 1993. We need your assistance as a community leader. Please take a moment to review the enclosed information and consider becoming a sponsor of the 2023 Mattie B. Burney Scholarship Golf Tournament.

We are elated as we approach the fourteen annual Mattie B. Burney Scholarship Golf Tournament. The mission of the Mattie B. Burney Scholarship is to take a giant step forward in assisting low to moderate income college sophomores and juniors on their journey to a higher education. Miss Mattie B. Burney was an advocate for supporting students with funding who could not afford to attend college but desired to further their education.

Over the past ten years we have given out scholarships totaling \$50,100 to students who are committed, dedicated, and moving forward in their future. Our goal for 2023 is to raise \$20,000. This is where we need your organization. How can you help? We are inviting you to join us as a partner in this great endeavor. What better way to make a commitment to the community than to assist students with gaining a higher education. You can be assured that your organization would have an extraordinary impact on our ability as partners to reward deserving individuals with support and affirmation.

These are the sponsorship prices. The benefits to your organization are listed on a separate page.
